

# MARYBELLS

## Help your child make the transition to big school....

St Mary's "Marybells" Transition Program is designed to bridge the gap between a child's before school experience (e.g. preschool) and the more formal educational experience of primary school. It provides a gentle transition with a focus on learning through play and real life experiences. This is a great opportunity to see what St Mary's has to offer your child as a possible option for primary school. Marybells is held on a regular day for pre-school children with the opportunity to also be part of the K/1/2 class. Other transition times for children who require additional transition are planned on an individual needs basis.

Marybells is free for students eligible to enrol in Kindergarten in 2017.

Time: 9.00am to 11.00am Tuesdays 23/08/16 to 03/11/16.

For an enrolment form and information contact;
