

# Enrolment Policy

---

St Mary's welcomes all students. However, if there is a waiting list the following criteria apply. The enrolment policy of St Mary's is that children who are baptised in the Catholic faith, living within the Parish are guaranteed a place in our school. Children who have a Catholic background (i.e. a Catholic parent or grandparent) will be enrolled if there are vacancies and after discussion with the Principal. Children who are not Catholic and have no Catholic background will be considered for enrolment with the approval of the Principal and the Parish Priest. Change of school from another local school requires an appointment and interview with the Principal and consultation with the Principal of the previous school.

Families moving into the area are very welcome to ring at any time to organise a tour.
